Is this really the last newsletter for this school year? It can't be! This year has gone by so quickly. It feels like it was just a few weeks ago that we met together for Back to School Night. I suppose this is further proof that, "Time flies when you're having fun!" It has been a good year at Kanesville with a lot of success, a few big changes, and fun while learning. Thank you for being a part of it all.

Important announcement: Traditionally the last few minutes of the school year have been spent in next year's class with next year's teacher. We are forgoing that tradition this year. Given the special circumstances of this year, we feel that teachers and students would rather spend as much time as possible in their current settings. We do not like the idea of having so many students without a place to go during that time at the end of the day. Students attending Kanesville next year will receive an envelope with information regarding next year's placement before leaving for the summer.

Speaking of summer, I would like to leave you with one bit of advice. Read! Read! Read! Summer is a time for fun, vacation, and relaxation. However, many students return to school in the fall having slightly, slipping skills. (Say that five times fast.) Reading for just a few minutes each day will keep them on track and prepared for upcoming challenges. During the last session of parent/teacher conferences we shared information regarding the importance of reading 20 minutes a day. Please keep those benefits in mind when encouraging your child to read.

Thank you again for an amazing year and have a wonderful summer!

Sincerely,

Mr. Willie

Sunburns

Summer is on the way! Sunburns may seem like the simple after-effect of a nice day but a sunburn is very dangerous and may lead to skin cancer.

Covering up from head to toe is not practical so how do you protect yourself from damaging effects of the sun?

- ✓ Use sunscreen. Sunscreens should be used every day if you are going to be in the sun for more than 20 minutes. The type of sunscreen you choose is a matter of personal choice.
- ✓ Apply it as often as directed, especially after swimming or strenuous activity.
- ✓ Cover up with light colored, cool, loose clothing that protects the skin and wear a hat.
- ✓ Don't forget the lips. Protect them with a lip balm with sunscreen.
- ✓ Protect your eyes by wearing sun glasses that protect you from UV rays.
- ✓ Stay out of the sun when UV levels are the highest.

Spending time outdoors is part of a healthy, active life. Whether you enjoy tennis, golf, hiking, gardening, running, or just being outdoors, take some precautions when you're out in the sun.

What's for Lunch?

School breakfast and lunch menus are now available electronically. In an effort to conserve resources, printed menus will no longer be sent home each month.

The menu can be viewed on the Weber School District website at www.wsd.net. Look for the quick link at the bottom right of the homepage.

Information from the PTA

Hello Kaneshville community! My name is Colette Erickson and I will be our PTA president for the 2017-18 school year and I'm SO excited about it! First, I want to say a special thanks to all the past PTA presidencies!! I've been part of the Kaneshville community for quite a few years now and have always been impressed how hard these dedicated parents work to take care of our students, their families, and the faculty! I'm also grateful for all the parents who consistently spend time in the classroom. This is where the most impact of our volunteer hours happens!

As we have reached out to fill the PTA board I have been amazed at parents willingness to be involved! Thank you!!! There are so many ways to be involved in the PTA from things you can do at home, to volunteering in the classroom, to helping with our family events throughout the year. I look forward to rubbing shoulders with all of you.

While we are sad to lose some amazing Cougar families to Country View, we look forward to meeting up with you again at Rocky Mountain Junior High. Thank you for making a difference at our school! Country View will be all the better for having you!

Please join us for our Family Picnic Night on May 10th from 6-8 pm! There will be many fun activities to participate in.

Colette Erickson
2017-2018 PTA President

-Sponsor Kaneshville-

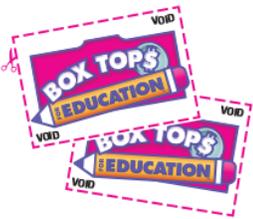

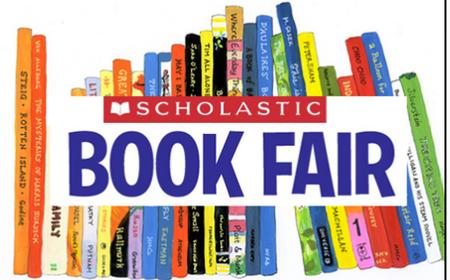

We have many amazing businesses in our area invested in the success of our students. If you would like to sponsor the Kaneshville Cougars, we'd love to put your 3x5 banner on our fence for only \$150! It will be there an entire YEAR! If you are interested, please email kaneshvillePTA@gmail.com or contact Colette Erickson (801-648-8652)

A BIG THANK YOU to all the book fair volunteers!

I appreciate your constant help to make the Book Fair so successful every year. Next year we are excited to have Hailee Murray as our new Book Fair chair. She is going to do a great job!!!

Don't forget to keep clipping those Box Tops! Our last Box Tops Store will be on May 4th. It's always helpful to us when they are cut and counted. Please check expiration dates too. If Box Tops are expired we cannot mail them in for cash.

Thank you for your continued Box Top help and support.
