1. Welcome-Alicia Coats
 - Introductions to new members Amy Berry, Lory Peterson and Nic Shellabarger as well as Colette Erickson
2. Explanation of Trustland Funds and requirements of the Kanesville Trustland board
3. Lori Lay and Lynne Hamp summary of Solution Tree Conference they attended in September. The conference was supported by Trustland Funds.
 - Both Lynne and Lori were so thankful to have the opportunity to go. Both believed a huge benefit to our teachers as well as our school as a whole. Hands down completely worth it.
 - They were given beneficial information on immediate feedback, implementing data folders in 6th grade.
 - All children can learn and it is our job to make sure all students can learn.
 - Lynne understands there is a shift in education. The students really need to take ownership in their own education. Teachers have got to collaborate. The shift is all about communication and collaboration. In education we are a team not a group. Working together not just next to each other.
 - Lynne, Lori and Justin all know that when teachers collaborate the students have the most success.
 - 6th grade is planning on incorporating Data folders
 - Mr. Willie also added: PLC or needed, going to start trying a vertical PLC
4. Alicia gave an overview on Trustland Funds, where they come from and how much we have have typically received
5. Mr. Willie- 2016-17 Final Plan
 - Academic goals need to be attainable
 - i. Child Study Subs
 - ii. LA Testing
 - iii. PLC Computer Lab Time
 - Lynne mentioned if 1% is the growth that we need, Justin would replied with wanting more but 1% is attainable
 - The council is unable to carry over more that 10% into the new year
 - The past year we were able to move a reading aide to help the reading department
 - Kanesville's overall score was a B- graded on prior year of SAGE scores
 - We would like to have funds for paper since so much paper is used for Engage NY Math program
 - Talked a little about House Bill 358-and not having personal information on sign in
